

Please Join Us with Your Support of the 2025 Pearls of Wisdom Benefit & Recognition Dinner

Riveon Mental Health and Recovery, our new name following the merger of The Nord Center and The LCADA Way, is now our region's leading non-profit agency for mental health treatment and addiction recovery. Same people. Same passion.

Due to the ongoing demand for our services, we kindly ask for your support to help us raise funds at our **2025 Pearls of Wisdom Annual Benefit & Recognition Dinner, being held on October 30th, 2025**, honoring individuals and organizations in our community that have made a significant contribution to our work.

We are in the process of securing another exciting speaker for this year's event, to be held once again at Embassy Suites Rockside.

Your tax-deductible support helps us raise money to provide treatment services to uninsured and underinsured individuals and offsets the cost of programs not covered by grants. No portion of your donation goes to administrative costs as we invest the money raised to help those recovering from drugs and alcohol, problem gambling and mental health issues.

Over the years our guests have been entertained by renowned keynote speakers including Steven Ford, Mackenzie Phillips, Judy Collins, Tom Arnold, Patrick J. Kennedy, Dr. Drew Pinsky, Mariel Hemingway and Carnie Wilson, each sharing their personal struggles with addiction and mental health, and sharing their real-life experiences of recovery, adventure, careers and behind the scenes stories.

Please refer to the attached forms and determine an appropriate level of support. Completed forms can be mailed or emailed. If you are willing to provide an auction item or service as well, you can mail it to our West Park Drive office, or we can arrange for pick up at your convenience.

If you have any questions or would like additional information, please contact Joe Matuscak at 440-989-4919 or jmatuscak@riveonhealth.org.

Thank you in advance for your time and heartfelt support.

Sincerely,
Pearls of Wisdom Event Committee
