

MEDICAL SERVICES

RIVEON HEALTHCARE

Providing a **HOLISTIC APPROACH** for Recovery

Our board-certified medical professionals provide **comprehensive behavioral health services, including substance abuse treatment, mental health care, crisis intervention and more** to address mental, emotional and physical health needs.

AMBULATORY DETOX

Withdrawal from opiates requires a safe, medically monitored process. Our outpatient service provides medications to ease the distress of physical withdrawal.

MEDICALLY ASSISTED TREATMENT (MAT)

In severe cases, medication might be necessary. Our team of addiction medicine specialists provide FDA approved medications to assist in sustained abstinence.

COMPREHENSIVE PHYSICAL EXAMS

We provide a thorough physical exam, including a complete medical work-up and screening. Any medical issues will be treated and managed while in treatment.

HEALTHCARE

MEDICATION MANAGEMENT

Once in treatment, our medical professionals ensure medical needs are met to prevent any treatment interruptions.

PSYCHIATRIC SERVICES

The recovery journey might need more than substance abuse treatment. Our team includes mental health counselors and board certified psychiatry providers.

INPATIENT DETOXIFICATION SERVICES

24-hour-a-day medically monitored detoxification services.

RECOVERY FROM THE BIO-PSYCHO-SOCIAL CONDITION

The American Society of Addiction Medicine defines substance use disorders as a bio-psychosocial disease. Our holistic approach to recovery includes board certified specialized care with internal medicine, addiction medicine and psychiatry providers who provide compassion, care and understanding.
