

MEN'S SERVICES

RIVEON HEALTHCARE

Treatment Programs to HELP MEN RECOVER AND LEAD HEALTHY LIVES

Tailored to meet individual needs, our men's programs focus on solutions and results. To schedule an assessment, call **440.989.4900** and listen for the **"Intake Services"** prompt. Walk-in assessments available Monday–Thursday.

DAY TREATMENT

Develop the support, skills and tools to remain abstinent and recover from drug and alcohol addiction.

Groups are 5 days/week with additional family and individual therapy sessions.

INTENSIVE OUTPATIENT PROGRAM (IOP)

IOP is a comprehensive approach that includes educational groups and group therapy, plus individual and family therapy sessions and 12-step support groups. Groups are 3 days/week for 3 hours.

riveon
HEALTHCARE

LOW INTENSITY TREATMENT (CO-ED)

Designed for men and women with early-stage alcohol, drug or tobacco problems and their loved ones, treatment includes education groups for 6 to 12 sessions. Individualized counseling & family education also available.

MEDICAL SERVICES—AMBULATORY DETOX

An outpatient service, we **assist individuals through a safe, medically monitored withdrawal from opiates** with medications to ease physical withdrawal.

MEDICATION ASSISTED TREATMENT (MAT)

Help **provided through an addiction-medicine physician.**

FAMILY PROGRAMMING

Open-ended educational support groups **for the loved ones of a person struggling with addiction.**

AFTERCARE

The last phase of recovery **provides a strong support network** until recovery can be successfully maintained.

TRANSPORTATION

Transportation is available at **certain locations.**
